OMA-Kids Applique Font

This applique font is great for use on both boys' and girls' projects. Combine these letters with some of our miniature alphabet add on designs and place them on bibs, burps, diaper bags, pillows etc. A coordinating fill alphabet is our "Little Stout" alphabet.

Artist for exclusive font : Sugarbeargraphics

Design Dimensions: Approx. 3.3x3.7" (varies slightly)

Stitch Count: Approx. 3,100-3,500 (varies slightly from letter to letter)

IN PREPARATION

For each letter

CUT

- (1) 4.50x4.50" piece of fabric of your choice
- (1) 4.50x4.50" piece of Steam a Seam 2 or similar bonding product

FUSE

Please fuse the Steam a Seam 2 to the back of your applique fabric.

Please do not skip this step of preparation. You will be much happier with the outcome of your applique letters. It will ensure that your project looks neat and smooth and will stay that way even after washing. Have you seen some of those cheaper appliques that look terrible after the first wash? I have a few kitchen

towels like that!

COLOR STITCHOUTS

All letters follow the same sequence.

Hoop your stabilizer and fabric.

1. **Stitches outline of letter.**

After stitchout, take your prepared applique fabric, remove the paper backing and place, right side up, over the stitched guideline.

Make sure all stitches are completely covered.
Continue stitching.

2. **Tackdown of lettering.**

Take hoop off machine. Do NOT unhoop.

With curved tip scissors, trim close to the outside of your stitched guideline.

Place hoop back on machine.
Continue stitching.

3. **Applique satin edge.**

Enjoy!!!
