OMA-Tiny Liebe Erika Font - Sample

You have downloaded a small sample of this small, slightly condensed font was entirely digitized manually to ensure perfect stitchout of each letter. Each letter starts on the left and ends on the right. Despite its smallness, the font is very readable. Great for quilt labels and wherever a smaller, legible font is needed. Comes in 9 machine formats, plus the Bx format for Embrilliance users.

This font was tested with a 75/11 universal Organ needle. No special stabilizer or threads required.

Design Dimensions and stitch counts:
